Independent Auditors' Review Report

To the Board of Directors of Tong Hsing Electronic Industries, Ltd.:

Introduction

We have reviewed the accompanying consolidated balance sheets of Tong Hsing Electronic Industries, Ltd. and its subsidiaries ("the Group") as of June 30, 2026 and 2025, and the related consolidated statements of comprehensive income for the three months and six months ended June 30, 2026 and 2025, as well as the changes in equity and cash flows for the six months ended June 30, 2026 and 2025, and notes to the consolidated financial statements, including a summary of significant accounting policies. Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, "Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China. Our responsibility is to express a conclusion on the consolidated financial statements based on our reviews.

Scope of Review

We conducted our reviews in accordance with the Standard on Review Engagements 2410, "Review of Financial Information Performed by the Independent Auditor of the Entity" of the Republic of China. A review of the consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing of the Republic of China and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our reviews, nothing has come to our attention that causes us to believe that the accompanying consolidated financial statements do not present fairly, in all material respects, the consolidated financial position of the Group as of June 30, 2026 and 2025, and of its consolidated financial performance for the three months and six months ended June 30, 2026 and 2025, as well as its consolidated cash flows for the six months ended June 30, 2026 and 2025 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, "Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

The engagement partners on the reviews resulting in this independent auditors' review report are Wang, I-Wen and Hsin, Yu-Ting.

Notes to Readers

The accompanying consolidated financial statements are intended only to present the consolidated financial position, financial performance and cash flows in accordance with the accounting principles and practices generally accepted in the Republic of China and not those of any other jurisdictions. The standards, procedures and practices to review such consolidated financial statements are those generally accepted and applied in the Republic of China.

The independent auditors' review report and the accompanying consolidated financial statements are the English translation of the Chinese version prepared and used in the Republic of China. If there is any conflict between, or any difference in the interpretation of the English and Chinese language independent auditors' review report and consolidated financial statements, the Chinese version shall prevail.

TONG HSING ELECTRONIC INDUSTRIES, LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements
For the six months ended June 30, 2026 and 2025
(Expressed in Thousands of New Taiwan Dollars and Unless Otherwise Specified)

(1) Company history

Tong Hsing Electronic Industries, Ltd. (the “Company”) was incorporated as a company limited by shares on August 11, 1974, and registered under the Ministry of Economic Affairs, R.O.C. The address of the Company’s registered office is No. 88, Ln. 1125, Heping Rd., Bade Dist., Taoyuan City. In accordance with Article 19 of the Business Mergers and Acquisitions Act, the Company merged with its subsidiary, KINGPAK TECHNOLOGY INC. (“KINGPAK”), pursuant to the resolutions of the Board of Directors on March 17, 2022 with the Company as the surviving company, and KINGPAK as the dissolved company. The reference date of the merger is June 30, 2022. The major business activities of the Company and its subsidiaries (the “Group”) are the manufacture and sale of RF module, ceramic metalized substrate, hybrid modules & specialty packaging and image products.

(2) Approval date and procedures of the consolidated financial statements

These consolidated financial statements were authorized for issuance by the Board of Directors on July 29, 2026.

(3) New standards, amendments and interpretations adopted

- (a) The impact of the IFRS Accounting Standards endorsed by the Financial Supervisory Commission, R.O.C. which have already been adopted.

The Group has initially adopted the following new amendments, which do not have a significant impact on its consolidated financial statements, from January 1, 2026:

- IFRS 17 “Insurance Contracts” and amendments to IFRS 17 “Insurance Contracts”
- Amendments to IFRS 9 and IFRS 7 “Amendments to the Classification and Measurement of Financial Instruments”
- Annual Improvements to IFRS Accounting Standards—Volume 11
- Amendments to IFRS 9 and IFRS 7 “Contracts Referencing Nature-dependent Electricity”

(Continued)

TONG HSING ELECTRONIC INDUSTRIES, LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

- (b) The impact of IFRS Accounting Standards endorsed by the FSC but not yet effective

The Group assesses that the adoption of the following new amendments, effective for annual period beginning on January 1, 2027, would not have a significant impact on its consolidated financial statements:

- IFRS 19 “Subsidiaries without Public Accountability: Disclosures” and amendments to IFRS 19
- Amendments to IAS 21 “Translation to a Hyperinflationary Presentation Currency”

The Group expects to adopt the following new and amended standards, which effective for annual period beginning on January 1, 2028:

- (i) IFRS 18 “Presentation and Disclosure in Financial Statements”

The new standard introduces three categories of income and expenses, two income statement subtotals and one single note on management performance measures. The three amendments, combined with enhanced guidance on how to disaggregate information, set the stage for better and more consistent information for users, and will affect all the entities.

- A more structured income statement: under current standards, companies use different formats to present their results, making it difficult for investors to compare financial performance across companies. The new standard promotes a more structured income statement, introducing a newly defined ‘operating profit’ subtotal and a requirement for all income and expenses to be allocated between three new distinct categories based on a company’s main business activities.
- Management performance measures (MPMs): the new standard introduces a definition for management performance measures, and requires companies to explain in a single note to the financial statements why the measure provides useful information, how it is calculated and reconcile it to an amount determined under IFRS Accounting Standards.
- Greater disaggregation of information: the new standard includes enhanced guidance on how companies group information in the financial statements. This includes guidance on whether information is included in the primary financial statements or is further disaggregated in the notes.

The new standard introduces consequential amendments to IAS 7, which require to use the newly defined operating profit subtotal as the starting point for the statement of cash flows when presenting operating cash flows under the indirect method. The consequential amendments also provide specific guidance on the classification of interest and dividend cash flows.

The Group is evaluating the impact on its consolidated financial statements upon the initial adoption of the new standard.

TONG HSING ELECTRONIC INDUSTRIES, LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

- (ii) Amendments to IAS 28 “The Fair Value Option for Investments in Associates and Joint Ventures”

The Group does not expect the amendments to have a significant impact on its consolidated financial statements.

- (c) The impact of IFRS Accounting Standards issued by IASB but not yet endorsed by the FSC

The Group does not expect the following new and amended standards, which have yet to be endorsed by the FSC, to have a significant impact on its consolidated financial statements:

- Amendments to IFRS 10 and IAS 28 “Sale or Contribution of Assets Between an Investor and Its Associate or Joint Venture”
- IFRS 20 “Regulatory Assets and Regulatory Liabilities”

(4) Summary of material accounting policies

- (a) Statement of compliance

These consolidated financial statements have been prepared in accordance with the preparation and guidelines of IAS 34 “Interim Financial Reporting” which are endorsed and issued into effect by FSC, and do not include all of the information required by the Regulations and International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations and SIC Interpretations endorsed and issued into effect by the FSC (hereinafter referred to IFRS Accounting Standards endorsed by the FSC) for a complete set of the annual consolidated financial statements.

Except the following accounting policies mentioned below, the material accounting policies adopted in the consolidated financial statements are the same as those in the consolidated financial statements for the year ended December 31, 2025. For the related information, please refer to note (4) of the consolidated financial statements for the year ended December 31, 2025.

- (b) Basis of consolidation

The Company	Prism Horizon Holdings Corp.(Prism Horizon)	The investment holding company	40 %	40 %	-	% Note 3
THEPI & Prism Horizon Holdings Corp.	Terra Uno Landholding Corp.(Terra Uno)	The land development company	100 %	100 %	-	% Note 3

Note 1: THEPI completed cash capital increases in April and June 2026. The Company subscribed to all of the newly issued common shares, totaling 5,332 thousand shares, in accordance with its 100% ownership interest. The total subscription consideration amounted to \$223,828.

Note 2: The Directors of Multi-field consist of the management of the Company and subsidiaries. The Company has had the authority to control Multi-field's personnel, financial, and business operations. Therefore, it is determined that the Company has substantial control over this subsidiary, and it is included in its consolidated entities.

Note 3: Based on its board meeting held in February 2025, the Company acquired a parcel of land in response to the future expansion needs of THEPI. To comply with local regulations regarding foreign ownership of land-holding companies, the Company established its new subsidiaries in the Philippines for investment holding and land development purposes, with the relevant registration procedures having been completed in June and July 2025, respectively.

(c) Employee benefits

The pension cost in the interim period was calculated and disclosed on a year-to-date basis by using the actuarially determined pension cost rate at the end of the prior fiscal year adjusted for significant market fluctuations since that time and for significant curtailments, settlements, or other significant one-off events.

(d) Income taxes

The income tax expenses have been prepared and disclosed in accordance with paragraph B12 of International Financial Reporting Standards 34, Interim Reporting.

Income tax expenses for the period are measured by multiplying together the pre-tax income for the interim reporting period and the management's best estimate of effective annual tax rate. This should be recognized fully as tax expense for the current period.

Temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and their respective tax bases shall be measured based on the tax rate that have been enacted or substantively enacted at the time the asset or liability is recovered or settled and be recognized directly in equity or other comprehensive income as tax expense.

Notes to the Consolidated Financial Statements

(5) Significant accounting assumptions and judgments, and major sources of estimation uncertainty

The preparation of the consolidated financial statements in conformity with the Regulations and IAS 34 "Interim Financial Reporting" endorsed by the FSC requires management to make judgments, and estimates about the future, including climate-related risks and opportunities, that affect the application of the accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The preparation of the consolidated interim financial statements, estimates and underlying assumptions are reviewed on an ongoing basis which are in conformity with the consolidated financial statements for the year ended December 31, 2025. For related information, please refer to note (5) of the consolidated financial statements for the year ended December 31, 2025.

There are no critical judgments in applying accounting policies that have significant effect on amounts recognized in the consolidated financial statements.

(6) Explanation of significant accounts

Except for the following disclosures, there were no material differences in the disclosures of significant accounts between the interim consolidated financial statements of the current period and the consolidated financial statements for the year ended December 31, 2025. Please refer to note (6) of the consolidated financial statements for the year ended December 31, 2025.

Total	<u>\$ 953,892</u>	<u>717,049</u>	<u>309,149</u>

- (i) The Group designated the investments shown above as equity securities at fair value through other comprehensive income because these equity securities represent those investments that the Group intends to hold for the long term for strategic purposes.
- (ii) There were no disposals of strategic investments and transfers of any cumulative gain or loss within equity relating to these investments for the three months and six months ended June 30, 2026 and 2025.
- (iii) For credit risk and market risk, please refer to note (6)(v).
- (iv) As of June 30, 2026, December 31 and June 30, 2025, the Group did not provide any aforementioned financial assets as collaterals for its loans.

	<u><u>\$ 2,204,982</u></u>	<u><u>2,114,859</u></u>	<u><u>2,028,757</u></u>

The Group applies the simplified approach to provide for its expected credit losses, i.e., the use of lifetime expected loss provision for all receivables. To measure the expected credit losses, accounts receivable have been grouped based on shared credit risk characteristics of the customer's ability to pay all due amounts in accordance with contract terms, as well as incorporated forward looking information, including historical credit losses experience and reasonable forecasts of future economic conditions information.

The loss allowance was determined as follows:

June 30, 2026

Notes to the Consolidated Financial Statements

For operational needs, THEPI acquired land for \$57,713 (PHP 91,110 thousand) from the non-related party in Philippines beginning in 2004, which was recorded as property, plant and equipment. Because the Philippine regulations prohibit foreigners from owning land, therefore, the Group paid for the land, under the title deed of Multi-field to assure the right to the land. THEPI also entered into an agreement with Multi-field to reserve its right to sell or transfer the property.

For future overall planning and operational needs, the subsidiary of the Group, THEPI, resolved in its board meeting on October 29, 2024 to authorize its Chairman to handle the acquisition of land. On January 17, 2025, a presale land purchase agreement was signed with ALJO GATEWAY, INC, with total contract amount of \$624,879 (PHP 1,115,856 thousand). As of June 30, 2025, the amount of \$344,601 (PHP 669,514 thousand) has been paid and recorded under other non-current assets. the title transfer of the aforementioned land transaction was completed in the fourth quarter of 2025.

In consideration of its future capacity expansion plans, the Company resolved in its board meeting on May 28, 2025 to authorize its Chairman to handle the acquisition of land. On June 18, 2025, a land purchase agreement was signed with Sheng Hong Construction Ltd., with total contract amount of \$363,713; of which, the amount of \$36,371 had been paid and recorded under other non-current assets as of June 30, 2025. the title transfer of the aforementioned land transaction was completed in the third quarter of 2025.

As of June 30, 2026, December 31 and June 30, 2025, certain property, plant and equipment of the Group had been pledged as collateral for borrowings and credit facilities. Please refer to note (8) for details.

(s) Earnings per share

The calculations of basic earnings per share and diluted earnings per share of the Group were as follows:

	For the three months ended June 30		For the six months ended June 30	
	2026	2025	2026	2025
Basic earnings per share (NTD):				
Profit attributable to ordinary shareholders of the Company	\$ <u>520,036</u>	<u>70,313</u>	<u>914,329</u>	<u>652,625</u>
Weighted-average number of ordinary shares outstanding (thousand shares)	<u>209,058</u>	<u>209,058</u>	<u>209,058</u>	<u>209,058</u>
Basic earnings per share (NTD)	\$ <u>2.49</u>	<u>0.34</u>	<u>4.37</u>	<u>3.12</u>
Diluted earnings per share (NTD):				
Profit attributable to ordinary shareholders of the Company (diluted)	\$ <u>520,036</u>	<u>70,313</u>	<u>914,329</u>	<u>652,625</u>
Weighted-average number of ordinary shares outstanding (thousand shares)	209,058	209,058	209,058	209,058
Effect of employee share remuneration (thousand shares)	<u>217</u>	<u>393</u>	<u>374</u>	<u>673</u>
Weighted-average number of ordinary shares outstanding (diluted) (thousand shares)	<u>209,275</u>	<u>209,451</u>	<u>209,432</u>	<u>209,731</u>
Diluted earnings per share (NTD)	\$ <u>2.48</u>	<u>0.34</u>	<u>4.37</u>	<u>3.11</u>

The employee stock options outstanding during the periods from January 1 to June 30, 2026 and from April 1 to June 30, 2026 had an anti-dilutive effect; therefore, they were excluded from the calculation of diluted earnings per share.

TONG HSING ELECTRONIC INDUSTRIES, LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

The amounts of revenue recognized for the six months ended June 30, 2026 and 2025 that were included in the contract liabilities balance at the beginning of the periods were \$32,593 and \$30,609, respectively.

The major change in the balance of contract assets and contract liabilities is the difference between the time frame in the performance obligation to be satisfied and the payment to be received.

(u) **Remunerations to employees and directors**

On May 28, 2025, the Company resolved at the shareholders' meeting to amend its Articles of Incorporation. According to the amended Company Article of Incorporation, if the Company incurs profit for the year, the profit shall first be used to offset against any accumulated deficits. Thereafter, a maximum of 3% (in cash) of the remaining net profit shall be allocated as directors' remuneration, and not less than 3% (in shares or in cash) as employee remuneration, including a minimum of 0.5% to those base-level employees. The distribution shall also include those employees of the Company's subsidiaries who meet certain requirements. Directors' remuneration shall be paid in cash only.

Prior to the amendment, the Articles of Incorporation stipulated that, if the Company incurs profit for the year, the profit shall first be used to offset against any accumulated deficits. Thereafter, a maximum of 3% (in cash) of the remaining net profit shall be allocated as directors' remuneration, and a minimum of 3% (in shares or in cash) as employee remuneration, including those employees of the Company's subsidiaries who meet certain requirements.

For the three months and six months ended June 30, 2026 and 2025, the Company estimated its employee remuneration (including the amount allocated to base-level employees) amounting to \$33,937, \$5,522, \$57,891 and \$42,020, and directors' remuneration amounting to \$21,113, \$2,358, \$36,200 and \$24,257, respectively. The estimated amounts mentioned above are calculated based on the net profit before tax, excluding the remuneration to employees, directors of each period, multiplied by the percentage of remuneration to employees, directors as determined by the management. These remunerations were expensed under operating costs or operating expenses. The differences between the amounts approved in the Board of Directors' meeting and those recognized in the financial statement, if any, are accounted for as changes in accounting estimates and recognized as profit or loss in the following year. The numbers of shares to be distributed were calculated based on the closing price of the Company's ordinary shares one day before the date of the meeting of the board of directors.

For the years ended December 31, 2025 and 2024, the employee compensation amounted to \$89,096 (including the amount allocated to base-level employees) and \$114,320, respectively, and remuneration of directors amounted to \$58,703 and \$62,340, respectively, which had no difference from the actual distribution. The related information is available on the Market Observation Post System website.

(v) Financial instruments

Except for those described below, there were no significant changes in the fair value of the Group's financial instruments and degree of exposure to credit risk, liquidity risk, and market risk arising from financial instruments. For related information, please refer to note (6)(u) of the consolidated financial statements for the year ended December 31, 2025.

(i) Credit risk

1) Exposure to credit risk

The carrying amount of financial assets represents the maximum amount exposed to credit risk.

2) The concentration of credit risk

Sales to individual customers constituting over 10% of operating revenues for the six months ended June 30, 2026 and 2025, amounted to \$2,741,132 and \$3,317,728, respectively. In order to reduce the credit risk, the Group monitors the financial conditions of customers regularly. However, the Group usually does not require customers to provide any collateral.

3) Receivables credit risk

For credit risk exposure of accounts receivable, please refer to note (6)(e). Other financial assets at amortized cost, including other receivables and investment in bonds, are considered to have low risk, and thus, the impairment provision recognized during the period was limited to 12 months expected losses. Regarding how the financial instruments are considered to have low credit risk, please refer to note (4)(g) of the consolidated financial statements for the year ended December 31, 2025.

The movement of loss allowance of other receivables for the six months ended June 30, 2026 and 2025 were as follows:

	<u>Other receivables</u>

(iii) Currency risk

1) Exposure to currency risk

The Group's significant exposure to financial assets and liabilities for foreign currency risk were as follows:

(Continued)

TONG HSING ELECTRONIC INDUSTRIES, LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

The Group's exposure to foreign currency risk arises from the translation of the foreign currency exchange gains and losses on cash and cash equivalents, accounts receivable, other receivables, notes and accounts payable and other payables that are denominated in foreign currency. A weakening (strengthening) of 5% of the NTD against USD and JPY for the six months ended June 30, 2026 and 2025 would have increased or decreased the net profit before tax as follows. The analysis was performed on the same basis for both periods:

	For the six months ended June 30	
	2026	2025
USD (against the NTD)		
Strengthening 5%	\$ 346,982	183,957
Weakening 5%	(346,982)	(183,957)
JPY (against the NTD)		
Strengthening 5%	14,230	(1,788)
Weakening 5%	(14,230)	1,788

As the Group deals with diverse foreign currencies, gains or losses on foreign exchange were summarized as a single amount. For the three months and six months ended June 30, 2026 and 2025, the foreign exchange gains (losses), including realized and unrealized portion, amounted to losses of \$18,552, losses of \$701,516, gains of \$72,786, and losses of \$596,744, respectively.

2) Interest rate risk

The exposure to interest rate risk for financial assets and liabilities refers to the management of liquidity risk in this note.

The following sensitivity analysis is based on the exposure to interest rate risk of the non-derivative financial instruments on the reporting date. Regarding the assets and liabilities with variable interest rates, the analysis is based on the assumption that the amount of liabilities outstanding at the reporting date was outstanding throughout the year. The rate of change is expressed as the interest rate increases or decreases by 0.25% when reporting to management internally, which also represents the Group's management assessment of the reasonably possible interest rate change.

If the interest rate had increased or decreased by 0.25%, assuming all other variables remaining constant, the Group's net profit before tax would have decreased or increased by \$1,360 and \$2,551, for the six months ended June 30, 2026 and 2025, respectively, which would be mainly resulted from the borrowings, demand deposits and time deposits with variable interest rates.

(iv) Fair value

1) The categories and the fair values of financial instruments

The fair value of financial assets and liabilities at fair value through profit or loss and financial assets at FVTOCI is measured on a recurring basis. The carrying amount and fair value of the Group's financial assets and liabilities, including the information on fair value hierarchy were as follows; however, except as described in the following paragraphs, for financial instruments not measured at fair value whose carrying amount is reasonably close to the fair value, and lease liabilities, disclosure of fair value information is not required:

2) Valuation techniques for financial instruments measured at fair value

a) Non-derivative financial instruments

The fair value of financial instruments traded in active markets is based on quoted market prices. The market prices from the main exchanges and government bond exchanges are the basis of the fair value of the listed company's equity instruments and debt instruments.

A financial instrument is regarded as being quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency and those prices represent actual and regularly occurring market transactions on an arm's-length basis. If the above conditions are not met, the market is considered inactive. Quoted market prices may not be active if the bid-ask spread is wide, the bid-ask spread has increased significantly, or the volume of trading is low.

The fair values of the Group's financial instruments in an active market for each category and attribute were as follows:

The fair values of financial assets and financial liabilities with standard terms and conditions traded in active liquid markets are determined with reference to the quoted market prices, including open-end mutual funds and stocks of listed company.

The measurements on fair value of the financial instruments without an active market are determined using the valuation technique or the quoted market price of its competitors. Fair value measured using the valuation technique can be extrapolated from similar financial instruments, discounted cash flow method, or other valuation techniques which include the model used in calculating the observable market data at the consolidated balance sheet date.

b) Derivative financial instruments

Measurement of the fair value of derivative instruments is based on valuation models commonly accepted by market participants such as the discounted cash flow method or option pricing models. The value of a forward exchange contract is usually determined by the forward exchange rate. Structured investments were calculated using the offer price.

3) Transfer between level

There were no transfers between fair value level for the six months ended June 30, 2026 and 2025.

4) Reconciliation of Level 3 fair values

	Non-derivative financial assets mandatorily measured at fair value through profit or loss
Balance on January 1, 2026	\$ 794,395
Total gains and losses	
Recognized in profit or loss	2,023
Purchased	1,305

Purchased	491,319
Disposal	<u>(155,424)</u>
Balance on June 30, 2025	<u>\$ 800,728</u>

For the six months ended June 30, 2026 and 2025, total gains and losses were included in gains (losses) on financial assets (liabilities) at fair value through profit or loss and foreign exchange gains (losses), net.

5) The quantified information on significant unobservable inputs (Level 3) used in fair value measurement

The Group's financial instruments that use Level 3 inputs to measure fair value include investment in private funds and structured investments.

The quantified information of significant unobservable inputs was as follows:

Item	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Financial assets at fair value through profit or loss — investment in private funds	Net asset value method	Net asset value	Not applicable
